

Become a Sponsor at the 2024 MCSS Conference Destination Democracy!

The 2024 Michigan Council for the Social Studies conference will take place May 3-4, 2024 at the Macomb ISD in Clinton Township Michigan! Educators from all over the state of Michigan will head to Southeast Michigan for two days of professional learning centered around the greatest of the four content areas – everything “social studies.” As an organization committed to serving these dedicated professionals, we hope you’ll join us to tell YOUR story – as well as your research, products, and solutions!

Limited sponsorship opportunities are available for 2024, so please contact us soon to discuss how your organization can support social studies education in Michigan.
